

**Supplier's self-declaration on conflict minerals (tin, gold, tantalum, tungsten)
Disclosure requirement pursuant to Article 7(2) of the Conflict Minerals Regulation
(EU) No 2017/821)**

QUESTION:

Do the items you supply fall within the scope of the EU Conflict Minerals Regulation ((EU) No 2017/821)?

IF YES:

It is of fundamental legal and economic importance to us that the items you supply fully comply with the requirements of the legislation. We therefore ask you to actively support the implementation of our policy and to provide us with the relevant CMR template (Conflict Mineral Reporting Template of the Responsible Minerals Initiative).

IF NO:

Should the items you supply not fall within the scope of this policy, we ask you to provide us with a manufacturer's declaration via this portal, stating that these items are not affected by the scope of this policy. Please ensure that this manufacturer's declaration is signed by an authorized signatory.
